

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK**

In re:

SONY BMG CD
TECHNOLOGIES LITIGATION

Case No. 1:05-cv-09575-NRB

**DECLARATION OF PAUL R. HUFF IN SUPPORT OF PLAINTIFFS'
CLASS COUNSELS' APPLICATION FOR ATTORNEYS' FEES AND
REIMBURSEMENT OF EXPENSES**

I Paul R. Huff declare as follows:

1. I am an attorney in good standing, duly licensed and admitted to practice in all California state and federal courts. I am a partner in the law firm Markson Pico Huff LLP, counsel of record for Gary Avila in Avila v. Sony-BMG Entertainment Corp., San Bernardino County Superior Court Case No. RCV 092095. A true and correct copy of my law firm's Martindale-Hubbell listing and Firm Overview is attached hereto as Exhibit A and incorporated by reference herein. Our attorneys have successfully brought and litigated large consumer class actions, including the recently settled Seewooster v. 24 Hour Fitness, USDC Case No. 03-cv-2140-BEN (S.D. Cal.).

2. I submit this declaration in support of Plaintiffs' Class Counsels' application for attorneys' fees and reimbursement of expenses in the above-entitled matter. The testimony set forth in this declaration is based on first-hand knowledge, about which I would and could testify competently in open court if called upon to do so, and on contemporaneously-generated records kept in the ordinary course of business.

3. The total number of professional hours expended in the litigation by Markson Pico Huff LLP is 35.0 hours. The total amount for attorney, paralegal and professional staff time expended by Markson Pico Huff LLP in the course of

the litigation, based upon current rates, is **\$12,250.00**. The chart attached hereto as Exhibit B was prepared at my direction and presents a summary of the time spent from 11/14/05 through 2/23/06 by attorneys, paralegals, and professional staff of the firm on the litigation. The chart includes the name of each attorney, paralegal, and professional staff member who has worked on the case, his or her current hourly billing rate, and the number of hours expended by each professional on this matter. The time reflected in this declaration was time actually spent, in the exercise of reasonable judgment, by the lawyers and staff involved. The attorneys and legal professionals identified in Exhibit B spent time on matters that were essential to the prosecution and resolution of the litigation, including researching the Plaintiffs' claims, preparing the Complaint, preparing discovery, reviewing documents related to the settlement and speaking with Defendants' and the Federal Class counsel regarding staying the action and settlement. My firm was careful not to expend unnecessary hours and not to duplicate work done by others.

4. This firm expended a total of **\$1,093.40** in unreimbursed expenses in connection with prosecution of the litigation on behalf of Gary Avila. The expenses incurred in this case are reflected in the books and records of the firm. These books and records are prepared from expense vouchers, check records, and other contemporaneously-recorded billing records, are an accurate record of expenses incurred in this litigation. The chart attached hereto as Exhibit C, also prepared at my direction, details these expenses.

I declare under penalty of perjury under the laws of the United States of America and the State of New York that the foregoing is true and correct.

Executed this 28th day of March, 2006, at Los Angeles, California.
